Most Gracious Sovereign

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom in Parliament assembled, towards raising the necessary supplies to defray Your Majesty's public expenses, and making an addition to the public revenue, have freely and voluntarily resolved to give and to grant unto Your Majesty the several duties hereinafter mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted, and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART 1

IMPORT DUTY

The charge to tax

1 Charge to import duty

A duty of customs (to be known as “import duty”) is charged in accordance with provision made by or under this Part by reference to the importation of chargeable goods into the United Kingdom.

5

2 Chargeable goods

Goods are “chargeable goods” for the purposes of this Part unless they are domestic goods.

Incurring of liability to import duty

- 3 Obligation to declare goods for a Customs procedure on import** 5
- (1) Chargeable goods which are presented to Customs on import must be declared for a Customs procedure by the making of a Customs declaration.
 - (2) It is the Customs procedure for which the goods are declared that determines when a liability to import duty is incurred.
 - (3) The Customs procedures for which chargeable goods may be declared are as follows – 10
 - (a) a procedure under which the goods are released for free circulation in the United Kingdom (referred to in this Part as “the free-circulation procedure”), or
 - (b) a special Customs procedure. 15
 - (4) In this Part “special Customs procedure” means –
 - (a) a storage procedure,
 - (b) a transit procedure,
 - (c) an inward processing procedure, or
 - (d) an authorised use procedure or temporary admission procedure. 20
 - (5) Schedule 1 makes provision about –
 - (a) the period within which Customs declarations are required to be made (and associated matters),
 - (b) the making, amendment or withdrawal of Customs declarations,
 - (c) the acceptance of Customs declarations by HMRC, 25
 - (d) the verification of Customs declarations by HMRC officers, and
 - (e) the release of goods to, and the discharge of goods from, Customs procedures.
 - (6) Schedule 2 makes further provision about special Customs procedures.
- 4 When liability to import duty incurred** 30
- (1) If –
 - (a) chargeable goods are declared for the free-circulation procedure, and
 - (b) HMRC accept the declaration,
 a liability to import duty is incurred at the time of the acceptance.
 - (2) If chargeable goods are declared for – 35
 - (a) a storage procedure,
 - (b) a transit procedure, or
 - (c) an inward processing procedure,
 the general rule is that a liability to import duty is not incurred by reference to the importation of the goods. 40
 - (3) This rule is subject to the following two exceptions –

-
- (a) if there is no entitlement to make the Customs declaration concerned, a liability to import duty is incurred at the time the (purported) declaration is made, and
- (b) if there is a breach by any person of any requirement relating to the procedure, a liability to import duty is incurred at the time at which the breach first occurs. 5
- (4) In the case of goods declared for an authorised use procedure or temporary admission procedure –
- (a) a liability to import duty is incurred at the time the declaration is accepted by HMRC, 10
- (b) if there is an entitlement to make the declaration for the procedure, the rate of import duty is lower than the normal rate (see section 19(4)),
- (c) if there is no such entitlement, the liability is at the normal rate, and
- (d) if there is a breach of a requirement relating to the procedure, a further liability to import duty arises at the time of the breach at the normal rate reduced to take account of the amount of any earlier liability. 15
- (5) In the case of goods declared for a temporary admission procedure, see also section 19(5).
- (6) In this section any reference to the breach of a requirement relating to a special Customs procedure is to –
- (a) a breach, occurring while the procedure has effect, of the terms of the declaration for the procedure or of any other requirement imposed in relation to the procedure by or under Schedule 2, or
- (b) a breach, occurring at any time after the declaration was made, of any other requirement imposed by an HMRC officer in relation to the goods for which the declaration was made. 20
- (7) In this section “the normal rate” means the rate that, at the time of the declaration or breach (as the case may be), would be applicable if section 19(4) were ignored. 25
- 5 Goods not presented to Customs or Customs declaration not made 30**
- (1) If chargeable goods –
- (a) are imported into the United Kingdom, and
- (b) are not presented to Customs on import (if so required),
the goods are liable to forfeiture (as to which, see Part 11 of CEMA 1979) at the time of importation. 35
- (2) If goods are liable to forfeiture as a result of –
- (a) subsection (1), or
- (b) paragraph 1(5) or 3(4) of Schedule 1 (no Customs declaration made),
a liability to import duty is incurred at the time at which the goods become liable to forfeiture. 40

*Person liable to import duty***6 Person liable to import duty**

- (1) If a Customs declaration is made in respect of any chargeable goods, the person in whose name the declaration is made is the person liable to import duty in respect of the goods. 5
- (2) If a liability to import duty is incurred as a result of section 5 in respect of any chargeable goods, any person who is in possession or control of the goods when they enter the United Kingdom is liable to import duty in respect of the goods.
- (3) In addition to any person liable as a result of subsection (1) or (2), each of the following persons is liable to import duty – 10
- (a) a person on whose behalf a Customs declaration is made,
 - (b) a person liable as a result of provision made by section 21(6) (Customs agents),
 - (c) a person liable as a result of provision made under paragraph 21 of Schedule 2 (special Customs procedures), and 15
 - (d) a person otherwise involved in a breach of a relevant Customs obligation.
- (4) For this purpose a person is otherwise involved in a breach of a relevant Customs obligation if – 20
- (a) the person provides false information in connection with a chargeable Customs declaration and the person knew, or ought reasonably to have known, that the information was false,
 - (b) the person (“A”) acted (whether as a Customs agent or otherwise) on behalf of another person who breached a relevant Customs obligation and A knew, or ought reasonably to have known, of the breach by that other person, 25
 - (c) the person participated in, or was otherwise involved in, a breach of a relevant Customs obligation and knew, or ought reasonably to have known, of the breach, or 30
 - (d) the person possesses or controls the goods at a time when there has been a breach of a relevant Customs obligation and the person knew, or ought reasonably to have known, of the breach.
- (5) For the purposes of subsection (4)(a) a person (“P”) provides “false information in connection with a chargeable Customs declaration” if – 35
- (a) P provides information to another person to enable that other person to make a Customs declaration,
 - (b) that other person makes the declaration, and
 - (c) the information provided by P is false.
- (6) For the purposes of subsection (4) there is “a breach of a relevant Customs obligation” if – 40
- (a) there is a breach of a requirement imposed on any person that results in a liability to import duty, or
 - (b) circumstances otherwise arise that result in a liability to import duty, and, in a case within paragraph (b) of this subsection, references to knowledge of the breach are to knowledge of those circumstances. 45

- (7) If two or more persons are liable to import duty in any case, those persons are jointly and severally liable to import duty in that case.

Amount of import duty: the customs tariff, preferences, safeguarding etc

7 Amount of duty: introduction

- (1) The amount of import duty applicable to any goods is to be determined in accordance with the customs tariff (see section 8), as amended or adjusted by provision made under any of the following sections –
- (a) section 9 (preferential rates: arrangements with countries or territories outside UK),
 - (b) section 10 (preferential rates given unilaterally),
 - (c) section 11 (quotas),
 - (d) section 12 (tariff suspension),
 - (e) section 13 (dumping of goods, foreign subsidies and increases in imports),
 - (f) section 14 (increases in imports or changes in price of agricultural goods), and
 - (g) section 15 (international disputes etc).
- (2) See also –
- (a) sections 16 to 18 (which deal with the valuation of goods, their place of origin and cases where amounts are expressed in a foreign currency), and
 - (b) section 19 (which enables provision to be made for full or partial relief from import duty).

8 The customs tariff

- (1) The Treasury must make regulations establishing, and maintaining in force, a system which –
- (a) classifies goods according to their nature, origin or any other factor,
 - (b) gives codes to the goods as so classified,
 - (c) specifies the rate of import duty applicable to goods falling within those codes (whether by a formula or otherwise), and
 - (d) contains rules for determining the amount of import duty applicable to those goods.
- (2) This system is referred to in this Part as the customs tariff.
- (3) The customs tariff may provide for the amount of any import duty applicable to any goods falling within any code to be determined by reference to either or both of the following –
- (a) the value of the goods, and
 - (b) the weight or volume of the goods or any other measure of their quantity or size.
- (4) The customs tariff may include provision as to the meaning of any expression used in it.
- (5) In considering the rate of import duty that ought to apply to any goods in a standard case, the Treasury must have regard to –

-
- (a) the interests of consumers in the United Kingdom,
- (b) the desirability of maintaining and promoting the external trade of the United Kingdom,
- (c) the desirability of maintaining and promoting productivity in the United Kingdom, and
- (d) the extent to which the goods concerned are subject to competition. 5
- (6) In considering the rate of import duty that ought to apply to any goods in a standard case, the Treasury must also have regard to any recommendation about the rate made to them by the Secretary of State.
- (7) In considering what recommendation to make, the Secretary of State must have regard to the matters set out in subsection (5)(a) to (d). 10
- (8) In this section “a standard case” means a case other than one to which any of sections 9 to 15 or 19(4) apply (preferential rates, quotas, tariff suspension, safeguarding, etc).
- 9 Preferential rates: arrangements with countries or territories outside UK** 15
- (1) If—
- (a) Her Majesty’s government in the United Kingdom makes arrangements with the government of a country or territory outside the United Kingdom, and
- (b) the arrangements contain provision for the rate of import duty applicable to goods, or any description of goods, originating from the country or territory to be lower than the applicable rate in the customs tariff in its standard form, 20
- the Treasury may make regulations to give effect to the provision made by the arrangements (whether by amending the customs tariff or otherwise). 25
- (2) The reference here to the customs tariff in its standard form is to the tariff as it has effect without regard to any provision made under any of sections 10 to 15 or section 19(4).
- (3) The power of the Treasury to make regulations under this section is exercisable only on the recommendation of the Secretary of State. 30
- 10 Preferential rates given unilaterally**
- (1) The Secretary of State may by regulations establish a scheme (“a trade preference scheme”) under which the rate of import duty applicable to goods, or any description of goods, originating from an eligible developing country is lower than the applicable rate in the customs tariff in its standard form. 35
- (2) A trade preference scheme may —
- (a) apply to one or more eligible developing countries,
- (b) provide for the application of the lower rates to be subject to the meeting of specified conditions, and
- (c) make provision about the variation, suspension and withdrawal of the application of the lower rates. 40
- (3) If a trade preference scheme is established under subsection (1), regulations under subsection (1) —

-
- (a) must provide for a nil rate of import duty to be applicable to all goods originating from a least developed country, except arms and ammunition, and
- (b) may make provision about the suspension and withdrawal of the application of the nil rate. 5
- (4) In subsection (3) –
- (a) “arms and ammunition” has the meaning specified in regulations made by the Secretary of State, and
- (b) “suspension” and “withdrawal” may include the application of another rate that is lower than the applicable rate in the customs tariff in its standard form. 10
- (5) The references in this section to the customs tariff in its standard form are to the tariff as it has effect without regard to any provision made under any of section 9, sections 11 to 15 or section 19(4).
- (6) In Schedule 3 – 15
- (a) Part 1 defines “eligible developing country” and “least developed country” for the purposes of this section,
- (b) Parts 2 and 3 contain lists for the purpose of those definitions, and
- (c) Part 4 confers power to amend those lists.
- 11 Quotas** 20
- (1) Regulations may make provision for determining the amount of import duty applicable to any goods that are subject to a quota.
- (2) Goods are subject to a quota for the purposes of this section if –
- (a) Her Majesty’s government in the United Kingdom makes arrangements with the government of a country or territory outside the United Kingdom and the arrangements contain provision for the goods concerned to be subject to a quota, or 25
- (b) the Treasury otherwise consider that it is appropriate for the goods concerned to be subject to a quota.
- (3) Regulations may make any provision that the person making them considers appropriate for the purposes of this section, including (for example) – 30
- (a) provision specifying the factors by reference to which a quota is to be determined,
- (b) provision imposing conditions subject to which a quota has effect,
- (c) provision for a quota in respect of specified goods to be subject to a licensing or allocation system (see also subsection (4)), and 35
- (d) any other provision in relation to the administration of a quota.
- (4) Regulations made under subsection (3) which make provision for a quota in respect of specified goods to be subject to a licensing or allocation system may include – 40
- (a) provision authorising any public body to grant licences or determine a system for allocating the quotas,
- (b) provision specifying the cases in which a person is eligible to make use of a quota,

-
- (c) provision specifying the conditions subject to which any person may make use of a quota (including provision for the giving of a guarantee of a specified amount),
 - (d) provision authorising the conditions to be imposed by a licence or other document, 5
 - (e) provision requiring the payment of fees by any person in connection with any application for a licence or an allocation, and
 - (f) provision generally in relation to the administration of the licensing or allocation system.
- (5) Any fees payable as a result of provision made under subsection (4)(e) must be paid into the Consolidated Fund. 10
 - (6) The power to make regulations under this section providing for a quota in respect of specified goods to be subject to a licensing or allocation system is exercisable by the Secretary of State.
 - (7) The power to make regulations under this section containing any other provision is exercisable by the Treasury; and, in considering what provision to include in the regulations, the Treasury must have regard to any recommendation made to them by the Secretary of State. 15
- 12 Tariff suspension**
- (1) The Treasury may by regulations make provision securing that, for a specified period, the rate of import duty applicable to specified goods is to be lower than the applicable rate in the customs tariff in its standard form. 20
 - (2) The regulations must provide that (subject to any exceptions) the Secretary of State is obliged –
 - (a) to consider a request made by any person for goods to be specified goods for the purposes of the regulations, and 25
 - (b) to make recommendations to the Treasury about the request.
 - (3) The regulations may –
 - (a) make provision for extending the specified period (including by means of a notice), 30
 - (b) impose conditions on the application of the lower rate, and
 - (c) make further provision about requests made to the Secretary of State (including provision about the form and contents of a request and the manner, and date by which, a request is to be made).
 - (4) In this section the reference to the customs tariff in its standard form is to the tariff as it has effect without regard to any provision made under any of sections 9 to 11, sections 13 to 15 or section 19(4). 35
 - (5) In considering what provision to include in any regulations under this section, the Treasury must have regard to any recommendation made to them by the Secretary of State. 40
- 13 Dumping of goods, foreign subsidies and increases in imports**
- (1) Functions relating to import duty are conferred on the Trade Remedies Authority (“the TRA”) by –
 - (a) Schedule 4 (dumping and foreign subsidies causing injury to UK industry), and 45

- (b) Schedule 5 (increased imports causing serious injury to UK producers).
- (2) If the Secretary of State accepts a recommendation by the TRA under provision made by or under Schedule 4 or 5 that an additional amount of import duty should be applicable to goods, the Secretary of State must by public notice make provision giving effect to the recommendation. 5
- (3) If the Secretary of State accepts a recommendation by the TRA under provision made by or under Schedule 5 that goods should be subject to a tariff rate quota, the Secretary of State must by public notice make provision for determining the amount of import duty applicable to the goods in order to give effect to the recommendation. 10
- (4) If the Secretary of State accepts a recommendation by the TRA under provision made by or under Schedule 4 or 5 that –
- (a) the application of an additional amount of import duty to goods under this section should be suspended, varied or revoked, or
 - (b) the application of a quota to which goods are subject under this section should be suspended, varied or revoked,
- the Secretary of State must by public notice make provision giving effect to the recommendation. 15
- (5) The Secretary of State may make regulations containing any provision that the Secretary of State considers appropriate for the purposes of subsections (3) and (4)(b); and section 11(3)(a) to (d), (4) and (5) apply to regulations under this subsection as they apply to regulations under section 11(3). 20

14 Increases in imports or changes in price of agricultural goods

- (1) The Treasury may by regulations make provision for an additional amount of import duty to be applicable to specified agricultural goods, or a specified description of agricultural goods, if – 25
- (a) the volume of imports of the specified goods, or goods of the specified description, into the United Kingdom during a specified period exceeds a specified trigger level, or
 - (b) the import price of the goods has fallen below a specified trigger price. 30
- (2) The regulations may (among other things) make provision –
- (a) limiting the period for which an additional amount of import duty is applicable;
 - (b) for the suspension of the application of an additional amount of import duty; 35
 - (c) requiring the giving of a guarantee in respect of an additional amount of import duty which is potentially applicable to goods, where the representative price for the goods has fallen below the specified trigger price and the import price of the goods is higher than that representative price; 40
 - (d) specifying the representative price for goods or a description of goods, (whether by a formula or otherwise) and providing for representative prices to be adjusted (whether by a formula or otherwise).
- (3) The power of the Treasury to make regulations under this section is exercisable only on the recommendation of the Secretary of State. 45

15 International disputes etc

- (1) If—
- (a) a dispute or other issue has arisen between Her Majesty’s government in the United Kingdom and the government of a country or territory, and 5
 - (b) Her Majesty’s government in the United Kingdom is authorised under international law to deal with the issue by varying the amount of import duty in the case of goods, or a description of goods, originating from the country or territory,
- the Secretary of State may make regulations varying the amount of import duty applicable to the goods or the description of goods. 10
- (2) In exercising the power to make the regulations in the case of a dispute affecting any goods, the Secretary of State must secure that the amount of import duty payable in that case takes account of any additional amount of import duty which— 15
- (a) is payable under section 13 as a result of the goods being subsidised, or
 - (b) would have been so payable had an undertaking not been accepted in respect of the goods.

*Amount of import duty: supplementary***16 Value of chargeable goods** 20

- (1) This section makes provision for determining the value of chargeable goods for the purposes of this Part.
- (2) The general rule is that the value of the goods is the transaction value of the goods when sold for export to the United Kingdom.
- (3) For this purpose “the transaction value” means the total amount of the consideration— 25
- (a) payable for the goods, or
 - (b) payable in connection with the importation of the goods into the United Kingdom,
- subject to the inclusion or exclusion of matters specified in regulations made by the Treasury. 30
- (4) The regulations may make provision for treating a matter to be of a specified amount or value.
- (5) Regulations made by the Treasury may make provision for the value of goods for the purposes of this Part to be a value other than the transaction value. 35
- (6) The following are examples of the kind of provision that may be made by the regulations—
- (a) provision dealing with transactions between persons who are related to, or connected with, each other in a specified way, and
 - (b) provision dealing with cases where a transaction value cannot, or cannot readily, be determined. 40

17 Place of origin of chargeable goods

- (1) This section makes provision for determining the place of origin of chargeable goods for the purposes of this Part.
- (2) Goods are to be regarded as originating from a country or territory if they are wholly obtained in the country or territory. 5
- (3) If goods are obtained in two or more countries or territories, the goods are to be regarded as originating from the last country or territory in which substantial processing of them has taken place that is economically justified.
- (4) Processing of any goods is to be regarded as substantial only if –
 - (a) it results in the manufacture of a new product or represents an important stage of manufacture, and 10
 - (b) it takes place in an undertaking equipped for the purpose.
- (5) It is for the person making a Customs declaration to show that goods originate from a particular country or territory.
- (6) The Treasury may by regulations make provision for the purposes of this section, including (for example) provision –
 - (a) for determining what constitutes, or does not constitute, processing that is economically justified,
 - (b) for determining what constitutes, or does not constitute, an important stage of manufacture, 20
 - (c) as to cases in which goods are, or are not, to be regarded as originating from a country or territory, and
 - (d) as to the evidence which is to be required, or is to be sufficient, for the purpose of showing that goods originate from a particular country or territory. 25
- (7) In relation to any case where the applicable rate of import duty is determined under section 9 or 10 (preferences), the provision that may be made by regulations under subsection (6) includes –
 - (a) provision for the place of origin of the goods to be determined in accordance with the regulations, 30
 - (b) provision for regarding goods exported by or on behalf of persons approved in accordance with the regulations as originating from a country or territory or for regarding only goods exported by or on behalf of approved persons as originating from a country or territory,
 - (c) provision for different categories of approved persons, 35
 - (d) provision requiring the Treasury to publish a list of persons who are for the time being approved persons and information about the category of approval, and
 - (e) other provision about approved persons.
- (8) The power to make regulations under this section is exercisable only on the recommendation of the Secretary of State. 40

18 Currency

- (1) The value of chargeable goods for the purposes of this Part must be calculated and expressed in sterling.

-
- (2) If an amount that is relevant for the purpose of calculating the value of goods for the purposes of this Part is expressed in a currency other than sterling, the amount must be converted into its sterling equivalent.
- (3) The conversion must be made in accordance with provision contained in a public notice given by HMRC Commissioners. 5
- (4) The public notice may make provision –
- (a) specifying the exchange rate that must be used for the purposes of this section,
 - (b) for the conversion to be made by reference to an exchange rate (or rates) applicable at any time (including a time earlier than that at which an importation took place) or by reference to the average exchange rate for a specified period, 10
 - (c) for the exchange rate determined in accordance with the notice to apply to transactions or other events taking place in a specified period,
 - (d) for adjusting the applicable exchange rate if the value of sterling against the currency concerned has increased or decreased by more than a specified percentage, and 15
 - (e) for any conversion to be rounded up or down.

Reliefs

- 19 Reliefs** 20
- (1) The Treasury may by regulations make provision for full or partial relief from a liability to import duty.
- (2) The regulations may provide for the relief to be given by reference to any factor, for example –
- (a) the nature or origin of goods or anything else by reference to which goods are classified in the customs tariff, 25
 - (b) anything in the customs tariff by reference to which the amount of import duty applicable to goods is determined,
 - (c) the purposes for which goods are imported,
 - (d) the person by whom, or for whose benefit, goods are imported, and 30
 - (e) the circumstances in which goods are imported.
- (3) The regulations may provide for a relief to be conditional on (among other things) the export of goods in accordance with the applicable export provisions.
- (4) In the case of goods that are declared for an authorised use procedure or temporary admission procedure, the Treasury – 35

- (4) There is an exception to this rule if a Customs agent acts as an indirect agent (and see also section 37(8)(b)).

- (7) An approval may be amended, suspended or revoked in cases specified in the regulations under which it was granted. 30

- (9) HMRC –
 - (a) may not specify a date before the notice is given unless HMRC and the person both agree that such a date may be given, and
 - (b) may not specify a date that falls more than one year after the date on which the notice is given. 40

 - (c) may provide for the value of the goods and the other matters mentioned in paragraph (b) to be determined in accordance with the regulations.
- (4) In considering whether to impose export duty, and, if so, the rate of duty that ought to apply to any goods, the Treasury must have regard to – 10
 - (a) the interests of consumers in the United Kingdom,
 - (b) the desirability of maintaining and promoting the external trade of the United Kingdom,
 - (c) the desirability of maintaining and promoting productivity in the United Kingdom, and 15
 - (d) the extent to which the goods concerned are subject to competition.

- (6) In considering what recommendation to make, the Secretary of State must have regard to the matters set out in subsection (4)(a) to (d).
- (7) The provision that may be made by regulations under this section includes provision replicating or applying, with or without modifications, any provision made by or under – 25
 - (a) Part 1, or
 - (b) any other enactment relating to import duty.
- (8) Paragraph 1 of Schedule 7 (replacement of EU customs duties) applies in relation to this Part as it applies in relation to Part 1 (reading any reference to import duty as a reference to export duty). 30
- (9) In this section “specified” means specified in, or determined in accordance with, the regulations.

40 Regulations under section 39: supplementary

- (1) Regulations under section 39 are to be made by statutory instrument.
- (2) A statutory instrument containing – 35
 - (a) the first regulations under that section, or
 - (b) any other regulations under that section the effect of which is an increase in the amount of export duty payable,must be laid before the House of Commons, and, unless approved by that House before the end of the period of 28 days beginning with the date on which the instrument is made, ceases to have effect at the end of that period. 40
- (3) The fact that a statutory instrument ceases to have effect as a result of subsection (2) does not affect –
 - (a) anything previously done under the instrument, or
 - (b) the making of a new statutory instrument. 45

- (4) In calculating the period for the purposes of subsection (2), no account is to be taken of any time—
- (a) during which Parliament is dissolved or prorogued, or

- (5) A statutory instrument containing regulations under section 39 other than regulations to which subsection (2) applies is subject to annulment in pursuance of a resolution of the House of Commons.
- (6) Any power to make regulations under section 39 may be exercised—
- (a) either in relation to all cases to which the power extends, or in relation to those cases subject to specified exceptions, or in relation to any specified case or description of case, or 10
 - (b) so as to make different provision for different purposes or areas.
- (7) Any power to make regulations under section 39 includes—

PART 3

VALUE ADDED TAX

41 Abolition of acquisition VAT and extension of import VAT

- (1) The Value Added Tax Act 1994 is amended as follows. 25
- (2) In section 1 (imposition of charge to value added tax), in subsection (1)—
- (a) omit paragraph (b) (which charges VAT on the acquisition in the United Kingdom of goods from other member States), and
 - (b) for paragraph (c) substitute— 30
- “(c) on the importation of goods into the United Kingdom,”.

- (3) For section 15 substitute—

“15 Meaning of “importation of goods” into the United Kingdom

- (1) This section determines for the purposes of this Act when, and by whom, goods are imported into the United Kingdom.
 - (2) Goods are imported when they are declared for a Customs procedure under Part 1 of TCTA 2018. 35
 - (3) But—
- (a) in the case of goods declared under TCTA 2018 for a storage procedure, a transit procedure or an inward processing procedure, the goods are imported when a liability to import duty is, or on the relevant assumptions would be, incurred in respect of them under section 4 of that Act, and 40

- (b) in the case of goods which are liable to forfeiture as a result of section 5(1) of, or paragraph 1(5) or 3(4) of Schedule 1 to, that Act (goods not presented to Customs or Customs declaration not made), the goods are imported when they become liable to forfeiture as a result of those provisions. 5
- (4) Each person who is, or on the relevant assumptions would be, liable to import duty in respect of goods imported into the United Kingdom is a person who has imported the goods.
- (5) For the purposes of this section “the relevant assumptions” are—
 - (a) an assumption that a liability to import duty at a nil rate is replaced by a liability to import duty at a higher rate, and 10
 - (b) an assumption that no relief from import duty is available.
- (6) If two or more persons are regarded as importing goods, those persons are jointly and severally liable to any VAT that is payable on the importation. 15
- (7) The preceding provisions of this section are to be ignored in reading any reference to importation or to an importer in anything applied for the purposes of this Act by section 16(1) or (2).
- (8) But subsection (7) does not apply so far as the context otherwise requires or provision to the contrary is contained in regulations under section 16(3).” 20

42 EU law relating to VAT

- (1) Any EU regulation so far as applying in relation to value added tax, and any direct EU legislation so far as relevant to any such regulation, that form part of the law of the United Kingdom as a result of section 3 of the European Union (Withdrawal) Act 2018 cease to have effect (but, in the case of the implementing VAT regulation, see also subsection (5)). 25
- (2) In the application of section 4(1) of that Act (saving for EU rights, powers, liabilities, obligations, restrictions, remedies and procedures) in relation to value added tax, the rights, powers, liabilities, obligations, restrictions, remedies and procedures mentioned there are subject to any exclusions or other modifications made by regulations made by the Treasury by statutory instrument. 30
- (3) Further provision relevant to the law relating to value added tax is made by the European Union (Withdrawal) Act 2018: see, for example, section 6 of that Act (interpretation of retained EU law). 35
- (4) One of the consequences of the provision made by that Act is that the principle of EU law preventing the abuse of the VAT system (see, for example, the cases of *Halifax* and *Kittel*) continues to be relevant, in accordance with that Act, for the purposes of the law relating to value added tax. 40
- (5) Where the principal VAT directive remains relevant for determining the meaning and effect of the law relating to value added tax, that directive is to be read for that purpose in the light of the provision made by the implementing VAT regulation but ignoring such of its provisions as are excluded by regulations made by the Treasury by statutory instrument. 45

- (6) A statutory instrument containing regulations under this section is subject to annulment in pursuance of a resolution of the House of Commons.
- (7) Regulations under this section –
- (a) may make different provision for different purposes or areas,
 - (b) may contain supplementary, incidental and consequential provision, and 5
 - (c) may contain transitional or transitory provision and savings.

Eligibility of persons to make Customs declarations

- 2 (1) A person may make a Customs declaration in respect of any chargeable goods if—
- (a) the person is able to present the goods to Customs on import, or
 - (b) the person is able to secure that the goods are presented to Customs on import. 5
- (2) HMRC Commissioners may by regulations provide that, in addition to meeting the requirements of sub-paragraph (1), persons may make Customs declarations only if—
- (a) they are established in the United Kingdom or a specified place outside the United Kingdom, 10
 - (b) they otherwise have a specified connection to the United Kingdom or to a specified place outside the United Kingdom, or
 - (c) they meet any other specified conditions.

Time at which Customs declarations required or authorised to be made 15

- 3 (1) HMRC Commissioners may by regulations make provision requiring, in specified cases, a Customs declaration to be made in respect of any goods before they are imported into the United Kingdom.
- (2) A Customs declaration may be made in other cases in respect of any goods before they are imported into the United Kingdom, but the declaration is treated as withdrawn if the goods are not presented to Customs on import within the permitted period. 20
- (3) For this purpose “the permitted period” means—
- (a) the period of 30 days beginning with the day on which the declaration is made, or
 - (b) such longer or shorter period as may be specified in a public notice given by HMRC Commissioners. 25
- (4) If—
- (a) a Customs declaration is required to be made in respect of any goods before they are imported into the United Kingdom, and
 - (b) the requirement to make the declaration still falls to be complied with when the goods are imported,
- the goods are liable to forfeiture at the time of importation.
- (5) HMRC Commissioners may make regulations for the purposes of this paragraph. 35
- (6) Each of the following is an example of the kind of provision that may be made by the regulations—
- (a) provision requiring a person in possession or control of any goods to have evidence of the making of a Customs declaration and to produce (on request) the evidence to an HMRC officer, 40
 - (b) provision for the evidence mentioned in paragraph (a) to be of a type, and in a form, specified in the regulations or in a public notice given by HMRC Commissioners,
 - (c) provision requiring, after a Customs declaration is made in respect of any goods, the giving of a notification in respect of the goods to HMRC in accordance with the regulations, and 45

- (d) provision treating, in specified cases, a requirement to make a Customs declaration before the time at which any goods are imported as if it had been met if a Customs declaration is made at a later time in accordance with the regulations.

Form of Customs declarations and how they are made 5

- 4 The general rule is that a Customs declaration –
- (a) must be made in an electronic form specified in a public notice given by HMRC Commissioners, and
 - (b) must be submitted or otherwise made available to HMRC electronically in accordance with provision made by a public notice given by HMRC Commissioners. 10
- 5 (1) In cases specified in a public notice given by HMRC Commissioners, a Customs declaration may be made in writing (otherwise than in electronic form) in a form specified in the notice.
- (2) In those cases, the declaration must be submitted or otherwise made available to HMRC in accordance with provision made by a public notice given by HMRC Commissioners. 15
- 6 (1) In cases specified in a public notice given by HMRC Commissioners, a Customs declaration –
- (a) may be made orally, or 20
 - (b) may be made by conduct.
- (2) HMRC Commissioners may by regulations make provision for altering or supplementing the operation of the customs duty provisions in any case where a Customs declaration is made orally or by conduct.
- (3) Among other things, the regulations may include provision – 25
- (a) disapplying any requirement under the customs duty provisions,
 - (b) treating anything done, or omitted to be done, as meeting any condition imposed under the customs duty provisions,
 - (c) restricting or excluding the exercise of a power conferred under the customs duty provisions, or 30
 - (d) requiring any person to provide documents or information to HMRC.
- (4) In this paragraph “the customs duty provisions” means any provision made by or under – 35
- (a) this Part, or
 - (b) CEMA 1979, or any other enactment, so far as relating to any duty of customs.

Contents of Customs declarations

- 7 (1) A Customs declaration in respect of any goods – 40
- (a) must, in addition to specifying the Customs procedure for which the goods are declared, contain information of a description specified in a public notice given by HMRC Commissioners,
 - (b) must be accompanied by such documents of a description specified in a public notice given by HMRC Commissioners, and

- (c) must include a declaration by the person making it that the declaration is, to the best of the person's knowledge, correct and complete.
- (2) In cases specified in a public notice given by HMRC Commissioners, the requirement under sub-paragraph (1)(b) may be met by the person who has made the declaration or any other person – 5
- (a) making the documents available for inspection by an HMRC officer, or
- (b) making available to HMRC information of a description specified in the notice (whether electronically or otherwise). 10
- (3) In cases specified in a public notice given by HMRC Commissioners, the documents required to accompany a Customs declaration may be required to be submitted or otherwise made available to HMRC before the making of the declaration.
- (4) References in this Schedule to documents accompanying a Customs declaration are to be read in accordance with sub-paragraphs (2) and (3). 15
- 8 A public notice given by HMRC Commissioners –
- (a) may make provision, in specified cases, for a single Customs declaration to cover a number of different goods, including goods of different descriptions, and 20
- (b) may make provision, in specified cases, requiring separate Customs declarations to be made in respect of goods of the same description.

Simplified Customs declarations etc

- 9 (1) HMRC Commissioners may by regulations make provision disapplying or simplifying the requirements made by or under this Part in relation to the making of Customs declarations. 25
- (2) Each of the following is an example of the kind of provision that may be made by the regulations –
- (a) provision entitling only authorised persons to make use of the regulations or specified provisions of the regulations, 30
- (b) provision requiring the giving of a guarantee, in accordance with the regulations, in respect of any liability to import duty before a Customs declaration is made,
- (c) provision for the making of a simplified Customs declaration (subject to any conditions that may be imposed by the regulations as to the subsequent provision of further information or documents), 35
- (d) provision for a single rate of import duty to apply to goods of different descriptions comprised in a particular consignment (using the highest rate otherwise applicable to any of the goods),
- (e) provision for the amount of import duty in respect of goods of different descriptions comprised in a particular consignment to be calculated by reference to the same matter, 40
- (f) provision for treating a Customs declaration in respect of goods as being made if a person makes an entry in respect of the goods in a system for recording information where the system is approved by HMRC and the information is made available to HMRC, 45

- (g) provision disapplying any requirement made by or under this Part in cases where a Customs declaration is treated as made as a result of paragraph (f), and
 - (h) provision for the making of a Customs declaration in respect of goods imported during a specified period (instead of separate Customs declarations being required in respect of each importation). 5
- (3) In sub-paragraph (2)(a) “authorised persons” means persons authorised in accordance with provision made by or under the regulations.

Acceptance of Customs declarations

- 10 As soon as practicable after receiving a Customs declaration, HMRC must determine – 10
- (a) whether or not the declaration has been made, and has been made available to HMRC, in accordance with the provision made by or under paragraphs 1 to 6, and
 - (b) whether or not the declaration is complete. 15
- 11 (1) If HMRC are satisfied that –
- (a) the goods have been presented to Customs on import,
 - (b) a Customs declaration has been made in respect of the goods, and has been made available to HMRC, in accordance with the provision made by or under paragraphs 1 to 6, and 20
 - (c) the declaration is complete,
- HMRC must notify the person making the declaration that HMRC are so satisfied.
- (2) A notification under sub-paragraph (1) constitutes the acceptance of the declaration by HMRC for the purposes of this Part. 25
- (3) This does not prevent the subsequent exercise of a power to verify the declaration under paragraph 13.
- (4) That paragraph also provides for another way in which a declaration is accepted by HMRC for the purposes of this Part.
- 12 For the purposes of this Schedule a Customs declaration is regarded as complete only if – 30
- (a) all the information required to be included in the declaration is included (in the appropriate places in the declaration), and
 - (b) all the documents required to accompany the declaration do accompany it, 35
- whether or not there are any inaccuracies in the information contained in the declaration or documents.

Verification of Customs declarations

- 13 (1) An HMRC officer may verify a Customs declaration by taking any of the following steps – 40
- (a) steps to establish the entitlement of a person to make a Customs declaration and generally to determine whether the conditions for making the declaration are met, and
 - (b) steps to establish the accuracy of a Customs declaration or any document required to accompany it. 45

- (2) An HMRC officer may take any of the steps in sub-paragraph (1) before or after, or at the same time as, accepting the declaration.
- (3) If an HMRC officer takes any of those steps before a Customs declaration is accepted, the officer –
- (a) may notify the person making the declaration that the declaration is to be treated for the purposes of this Part as if it had been accepted by HMRC (whether or not it would have been accepted under paragraph 11(2)), and 5
 - (b) may make any amendments of the declaration that the officer considers are appropriate. 10
- (4) A notification under sub-paragraph (3) constitutes the acceptance of the declaration by HMRC for the purposes of this Part (as amended, where relevant, by an HMRC officer).
- (5) For further provision governing the steps which the officer may take, see, in particular, Parts 7 and 12 of CEMA 1979. 15
- 14 (1) This paragraph applies if an HMRC officer considers at any time that there is an inaccuracy in a Customs declaration (including as a result of an inaccuracy in a document accompanying it).
- (2) The officer –
- (a) must notify the person making the declaration of the inaccuracy, and 20
 - (b) must correct the declaration, or direct the person who has made the declaration or any other appropriate person to make the necessary corrections.
- (3) Any liability to import duty in respect of any goods is determined on the basis of the information contained in the Customs declaration as corrected (or required to be corrected) under this paragraph. 25
- (4) A notification is not required to be given under sub-paragraph (2)(a) if an HMRC officer considers that doing so might prejudice an investigation that could result in legal proceedings (whether or not involving the person who would otherwise be notified). 30

Amendment or withdrawal of Customs declarations

- 15 (1) A person who has made a Customs declaration is entitled to amend or withdraw it at any time before a relevant event occurs.
- (2) For this purpose “a relevant event occurs” on the first occurrence of any of the following – 35
- (a) an HMRC officer indicating to the person that the officer intends to take steps to verify the declaration,
 - (b) an HMRC officer taking steps to verify the declaration, and
 - (c) HMRC accepting the declaration.
- 16 Once a relevant event occurs, the person making the declaration may amend or withdraw it only if – 40
- (a) a notification to amend or withdraw the declaration is given to an HMRC officer before the end of a period specified in a public notice given by HMRC Commissioners, and
 - (b) an HMRC officer consents to the making of the amendment or the withdrawal. 45

Releasing and discharging goods to and from Customs procedures

- 17 (1) Once chargeable goods are declared for a Customs procedure, the goods remain subject to the control of any HMRC officer until the procedure is discharged.
- (2) If goods are declared for the free-circulation procedure, the goods are released to the procedure – 5
- (a) when the import duty is paid, or
 - (b) if satisfactory payment arrangements are in place, when the declaration is accepted by HMRC.
- (3) For this purpose “satisfactory payment arrangements” are in place only if – 10
- (a) an approved guarantee for the payment of import duty has effect in relation to the goods, or
 - (b) HMRC are, in cases specified in a public notice given by HMRC Commissioners, otherwise satisfied, by reference to matters specified in the notice, that the import duty will be paid. 15
- (4) The goods are discharged from the free-circulation procedure when HMRC notify the person making the declaration that the goods are discharged from the procedure.
- (5) Consequently, at that point – 20
- (a) the goods cease to be chargeable goods, and
 - (b) the goods cease to be subject to control of an HMRC officer,
- but nothing in this sub-paragraph prevents the subsequent exercise of a power of to verify the declaration under paragraph 13.
- (6) If the goods are declared for a special Customs procedure, the goods are released to the procedure at whichever is the later of the following times – 25
- (a) the time at which HMRC accept the declaration, or
 - (b) if the procedure is one requiring the person making the declaration to be authorised, the time determined in accordance with paragraph 1(2)(f) of Schedule 2 as the time from which the procedure may be used in respect of the goods. 30
- (7) Once goods are released to a special Customs procedure –
- (a) the goods are subject to the provision made by or under Schedule 2, and
 - (b) the procedure continues to have effect until it is discharged in accordance with the provision made by or under that Schedule. 35

Declarations for different Customs procedures

- 18 (1) The fact that chargeable goods are declared for one Customs procedure does not prevent the goods from being subsequently declared for a different Customs procedure.
- (2) Goods may not be released to a Customs procedure at any time if another Customs procedure has effect in relation to the goods at that time (but this is subject to paragraph 20(2) of Schedule 2). 40

Notifications given by HMRC or HMRC officers

- 19 (1) Any notification given by HMRC or an HMRC officer under this Schedule may be given in such form and manner as the person giving it considers appropriate.
- (2) HMRC Commissioners may by regulations make provision specifying cases where it is to be presumed that a person has been notified under this Schedule (including cases where the presumption may not be rebutted). 5

SCHEDULE 2

Section 3(6)

- (2) The provision that the regulations may make in respect of authorisations includes (among other things)— 20
- (a) provision for an authorisation to be granted only to persons established (as determined in accordance with provision made by the regulations) in the United Kingdom or in any specified place outside the United Kingdom,

- (h) provision for treating an application for authorisation (including one as a result of paragraph (g)) as granted in specified cases, and
- (i) provision granting an authorisation (a “retrospective authorisation”) with effect from a time before the application for it is made.

- (3) If the Treasury consider it appropriate for the regulations to contain an economic condition applicable to a qualifying case, they may give directions to HMRC Commissioners requiring them to make regulations containing such a condition.
- (4) For this purpose – 5
- “an economic condition”, in relation to any goods, means a condition designed to secure that an authorisation is granted only if its granting would not adversely affect the interests of producers in the United Kingdom of the goods, and
- “qualifying case” means a case where – 10
- (a) a person is authorised to declare goods for an inward processing procedure, or
- (b) a person is granted a retrospective authorisation.

- (2) A special Customs procedure is discharged if—
- (a) the goods are declared for another Customs procedure, and
 - (b) HMRC accept the declaration. 40

- (3) Directions given by HMRC Commissioners may require a special Customs procedure to be discharged before a date specified in, or determined in accordance with, the directions.

 - (b) an HMRC officer gives a notice under this sub-paragraph to the person who declared the goods for the procedure,
the goods are treated for the purposes of this Part of this Act as if, at the time at which the notice is given, that person had declared the goods for the free-circulation procedure and HMRC had accepted that declaration. 10
- (5) Directions under this paragraph—

 - (b) if given generally, may be given by way of a public notice given by HMRC Commissioners. 15
- (6) Any regulations made under the Part of this Schedule relating to a particular special Customs procedure—
- (a) may require the procedure to be discharged before a specified date, and
 - (b) may make provision replicating or applying, with or without modifications, the provision made by sub-paragraph (4) or (5). 20
- (7) Any regulations made under the Part of this Schedule relating to a particular special Customs procedure may require the goods to be presented at any place in accordance with the regulations before the procedure is discharged.
- Discharge of special Customs procedures: rules applicable to particular procedures* 25
- 19 (1) This paragraph specifies further cases in which particular special Customs procedures are discharged.
- (2) A transit procedure is discharged in accordance with provision made by regulations made by HMRC Commissioners.
- (3) A storage procedure, an inward processing procedure, an authorised use procedure or a temporary admission procedure is discharged if—
- (a) the goods are exported from the United Kingdom in accordance with the applicable export provisions,
 - (b) the goods are destroyed, or
 - (c) the goods are liable to forfeiture. 30 35
- (4) In addition, an authorised use procedure or temporary admission procedure in respect of any goods is discharged if the requirements imposed by or under this Schedule in relation to the procedure are met in respect of the goods.
- Discharge of special Customs procedures: other provision* 40
- 20 (1) Despite the provision made by paragraph 18 or 19, a special Customs procedure in respect of any goods is not discharged if a liability to import duty is incurred in respect of the goods while the procedure has effect and—
- (a) a guarantee has not been given in accordance with regulations under paragraph 6 of Schedule 6 that has effect in relation to the goods, or 45

- (b) if no guarantee is given, the import duty has not been paid.
- (2) If a special Customs procedure in respect of any goods is prevented from being discharged as a result of sub-paragraph (1) (and only as a result of that sub-paragraph), that does not prevent the goods from also being released to another special Customs procedure. 5
- (3) HMRC Commissioners may by regulations make provision as to the evidence which is to be required, or is to be sufficient, for the purpose of showing that a special Customs procedure has been discharged.

Liability to import duty imposed on persons other than declarant etc

- 21 (1) HMRC Commissioners may by regulations impose a liability to import duty on any person who, at any time while a special Customs procedure has effect, breaches a requirement imposed on the person by provision made by or under this Schedule. 10
- (2) The regulations may provide for cases in which the person is not liable to import duty even though the person breaches a requirement. 15

Changes in nature of goods while subject to a special Customs procedure etc

- 22 (1) If at any time while a special Customs procedure has effect in relation to any goods—
- (a) there is a change in the goods, and
- (b) a liability to import duty is incurred, 20
- HMRC Commissioners may by regulations make provision for determining the liability by reference to the goods as they stood when the declaration for the procedure was made (and not when the liability is incurred).
- (2) The regulations—
- (a) may apply only in relation to a special Customs procedure of a specified description, and 25
- (b) may provide for their application to be limited to cases where an HMRC officer considers that the regulations ought to apply.
- (3) In the case of goods declared for a special Customs procedure, HMRC Commissioners may make provision by regulations for altering the value of the goods for the purposes of import duty so as to take account of things done after the declaration is made. 30
- (4) The regulations may provide—
- (a) for the alteration to be applicable only in relation to special Customs procedures of a specified description and only in relation to things done of a specified description, and 35
- (b) for the amount of the alteration to be determined in accordance with the regulations.
- (5) Except as provided for by—
- (a) the preceding provisions of this paragraph, or 40
- (b) provision made in regulations made by HMRC Commissioners,
- if there is a change in any goods at any time while a special Customs procedure has effect in relation to the goods, the goods are to be regarded nonetheless as the same goods for the purposes of any provision made by or under this Part of this Act. 45

- (6) For the purposes of this paragraph it does not matter –
 - (a) whether a change in any goods is a change in their nature or in any other respect, or
 - (b) whether a change in any goods is as a result of their incorporation into any other goods or anything else.

5

Use of equivalent domestic goods

- 23 (1) HMRC Commissioners may, in cases where goods (“the imported goods”) are intended to be declared for a special Customs procedure, by regulations make provision for requirements in relation to the procedure to be met by reference to equivalent domestic goods.
- (2) Goods are “equivalent domestic goods” if they are domestic goods that are of the same, or of substantially the same, description as the imported goods.
- (3) Among other things, the regulations may –
 - (a) secure that, once a declaration of the imported goods for a special Customs procedure is accepted by HMRC, the goods are treated for the purposes of this Part of this Act as if they had been simultaneously released to, and discharged from, the procedure, and
 - (b) provide that goods may not be so treated unless the requirements in relation to the procedure were met by reference to the equivalent domestic goods.
- (4) The provision that may be made by the regulations includes provision for authorising goods in accordance with the regulations before they may be used as equivalent domestic goods.
- (5) HMRC Commissioners may by regulations make provision as to cases in which goods are, or are not, to be regarded as equivalent domestic goods for the purposes of this paragraph.
- (6) This paragraph does not apply to a transit procedure.

PART 2

DUMPING AND SUBSIDISATION INVESTIGATIONS

Dumping and subsidisation investigations

- 8 (1) The TRA may investigate – 25
- (a) whether goods have been or are being dumped in the United Kingdom, and
- (b) whether the dumping of the goods has caused or is causing injury to a UK industry in those goods.
- (2) References in this Schedule to a “dumping investigation” are to an investigation under sub-paragraph (1). 30
- (3) The TRA may investigate –
- (a) whether goods which have been or are being imported into the United Kingdom are subsidised, and
- (b) whether the importation of the subsidised goods has caused or is causing injury to a UK industry in those goods. 35
- (4) References in this Schedule to a “subsidisation investigation” are to an investigation under sub-paragraph (3).

Initiation of a dumping or a subsidisation investigation

- 9 (1) The TRA may initiate a dumping or a subsidisation investigation in relation to goods only if – 40

-
- (a) it is requested to initiate an investigation in an application made –
- (i) by or on behalf of a UK industry in the goods (“the applicant UK industry”), or
 - (ii) in exceptional circumstances, by the Secretary of State,
- (b) it is satisfied that the application contains sufficient evidence that – 5
- (i) the goods have been or are being dumped in the United Kingdom and the dumping has caused or is causing injury to a UK industry in those goods, or
 - (ii) as the case may be, the goods have been or are being imported into the United Kingdom and are subsidised, and the importation of the subsidised goods has caused or is causing injury to a UK industry in those goods, 10
- (c) it is satisfied that it appears from that evidence that –
- (i) the volume of dumped goods (whether actual or potential), and the injury, is more than negligible, and the margin of dumping in relation to those goods is more than minimal, or 15
 - (ii) as the case may be, the volume of subsidised goods (whether actual or potential), and the injury, is more than negligible, and the amount of the subsidy in relation to those goods is more than minimal, and 20
- (d) the market share requirement is met or the TRA waives the requirement in relation to the application.
- (2) The market share requirement is met if –
- (a) in the case of an application under sub-paragraph (1)(a)(i), the TRA is satisfied that the applicant UK industry has a share of the market for like goods for consumption in the United Kingdom (whether produced there or elsewhere) which is sufficient to justify initiating the investigation; 25
 - (b) in the case of an application under sub-paragraph (1)(a)(ii), the TRA is satisfied that a UK industry in the goods has a share of the market for like goods for consumption in the United Kingdom (whether produced there or elsewhere) which is sufficient to justify initiating the investigation. 30
- (3) Regulations may make provision about –
- (a) what constitutes or does not constitute an application made by or on behalf of a UK industry for the purposes of sub-paragraph (1)(a)(i); 35
 - (b) when an application is made for the purposes of sub-paragraph (1)(a);
 - (c) the information to be contained in such an application;
 - (d) the time limit for determining such an application; 40
 - (e) what constitutes or does not constitute “negligible” and “minimal” for the purposes of sub-paragraph (1)(c)(i) or (ii);
 - (f) how it is to be determined for those purposes whether those thresholds have been exceeded;
 - (g) what constitutes or does not constitute “the market for like goods for consumption in the United Kingdom” and a UK industry’s “share” of that market for the purposes of sub-paragraphs (1)(d) and (2); 45
 - (h) how any of those matters are to be determined for the purposes of sub-paragraphs (1)(d) and (2).

- (4) If any of the requirements of sub-paragraph (1)(a) to (d) in respect of a dumping or a subsidisation investigation (as the case may be) are not met, the TRA must reject the application and notify the applicant accordingly (unless it is the requirement in sub-paragraph (1)(a) that is not met because the application has been withdrawn). 5
- (5) If the requirements of sub-paragraph (1)(a) to (d) in respect of a dumping investigation are met, the TRA must –
- (a) accept the application,
 - (b) notify the governments of the relevant foreign countries or territories, 10
 - (c) initiate the investigation,
 - (d) publish notice of its decision to initiate the investigation (including notice of the goods which are the subject of the investigation), and
 - (e) notify the Secretary of State and interested parties (see paragraph 32(3)) accordingly. 15
- (6) If the requirements of sub-paragraph (1)(a) to (d) in respect of a subsidisation investigation are met, the TRA must –
- (a) accept the application,
 - (b) after the governments of the relevant foreign countries or territories have been invited to participate in consultations, initiate the investigation, 20
 - (c) publish notice of its decision to initiate the investigation (including notice of the goods which are the subject of the investigation), and
 - (d) notify the Secretary of State and interested parties accordingly.
- (7) “Relevant foreign country or territory” means – 25
- (a) in the case of an application for a dumping investigation, the exporting foreign country or territory (within the meaning of paragraph 1(2)) of the alleged dumped goods;
 - (b) in the case of an application for a subsidisation investigation, a foreign country or territory within whose territory is located a foreign authority which is alleged to have granted one or more of the subsidies in question. 30
- (8) Notices under sub-paragraphs (5)(d) and (e) and (6)(c) and (d) must specify the date of the initiation of the investigation.
- (9) Nothing in this paragraph prevents the TRA initiating both a dumping investigation and a subsidisation investigation in relation to the same goods if the requirements of sub-paragraph (1)(a) to (d) are met in the case of each investigation. 35

Conduct of a dumping or a subsidisation investigation

- 10 (1) Regulations may make provision about the conduct of a dumping or a subsidisation investigation. 40
- (2) Such regulations may, among other things, make provision about –

- (h) the consequences of otherwise impeding an investigation;
- (i) the treatment of confidential or other information provided to or by the TRA; 10
- (j) the provision and conduct of oral hearings.

Provisional affirmative determinations and final affirmative or negative determinations

- 11 (1) In the case of a dumping investigation, an “affirmative determination” in relation to goods means a determination that – 15
- (a) the goods have been or are being dumped in the United Kingdom, and
 - (b) the dumping of the goods has caused or is causing injury to a UK industry in those goods.
- (2) In the case of a subsidisation investigation, an “affirmative determination” in relation to goods means a determination that – 20
- (a) the goods have been or are being imported into the United Kingdom and are subsidised, and
 - (b) the importation of the subsidised goods has caused or is causing injury to a UK industry in those goods. 25
- (3) At any stage during a dumping or a subsidisation investigation, the TRA may make an affirmative determination, based on the evidence then before it, in relation to goods which are the subject of the investigation (referred to in this Schedule as “a provisional affirmative determination”).
- (4) But the TRA may only make such a determination if it is satisfied that interested parties (see paragraph 32(3)) have been given an adequate opportunity to provide information to it regarding the investigation. 30
- (5) The TRA must make a final determination in relation to each of the goods which are the subject of a dumping or a subsidisation investigation.
- (6) A final determination under sub-paragraph (5) in relation to goods is – 35
- (a) an affirmative determination (referred to in this Schedule as a “final affirmative determination”), or
 - (b) if the TRA determines that it cannot make an affirmative determination in relation to the goods, a negative determination (referred to in this Schedule as a “final negative determination”). 40
- (7) The TRA may make different final determinations in relation to different goods which are the subject of the investigation.
- (8) The TRA must –
- (a) publish notice of its final negative determination or final negative determinations under sub-paragraph (5), and 45
 - (b) notify the Secretary of State and interested parties accordingly.

Termination of a dumping or a subsidisation investigation

- | | | |
|----|--|----|
| 12 | A dumping or a subsidisation investigation in relation to goods terminates (if it has not already terminated by virtue of provision made under paragraph 10(1)) – | |
| | (a) in a case where the TRA makes a final negative determination in relation to the goods, when notice of that determination is published under paragraph 11(8)(a), | 5 |
| | (b) in a case where the TRA makes a final affirmative determination in relation to the goods and determines that there is not a recommendation which it could make under paragraph 17(3) or (4) in relation to them, when notice of that determination is published under paragraph 17(10)(b), | 10 |
| | (c) in a case where the TRA makes a final affirmative determination in relation to the goods and makes a recommendation under paragraph 17(3) or (4) in relation to them which the Secretary of State rejects, when the notice of rejection is published under paragraph 20(3)(a), or | 15 |
| | (d) in a case where the TRA makes a final affirmative determination in relation to the goods and makes a recommendation under paragraph 17(3) or (4) in relation to them which the Secretary of State accepts, at the end of the day of publication of the public notice under section 13 giving effect to the recommendation. | 20 |

PART 3

PROVISIONAL REMEDY: REQUIRING A GUARANTEE

TRA's duty to recommend requiring guarantees

- | | | |
|----|--|----|
| 13 | (1) This paragraph applies where the TRA makes a provisional affirmative determination in relation to goods which are the subject of a dumping or a subsidisation investigation. | 25 |
| | (2) Goods in relation to which that determination is made are referred to in this paragraph as relevant goods. | |
| | (3) The TRA may recommend to the Secretary of State – | 30 |
| | (a) in the case of a dumping investigation that, in respect of all the relevant goods, all importers of those goods should be required to give a guarantee in respect of any additional amount of import duty which would have been applicable, or potentially applicable, to the goods under section 13 if an anti-dumping amount had been applied to the goods based on the provisional affirmative determination (“an estimated anti-dumping amount”), or | 35 |
| | (b) in the case of a subsidisation investigation that, in respect of all the relevant goods, all importers of those goods should be required to give a guarantee in respect of any additional amount of import duty which would have been applicable, or potentially applicable, to the goods under section 13 if a countervailing amount had been applied to the goods based on the provisional affirmative determination (“an estimated countervailing amount”). | 40 |
| | (4) The TRA may make a recommendation under sub-paragraph (3) only if it is satisfied that requiring a guarantee in accordance with its recommendation – | 45 |

- (a) is necessary to prevent injury being caused during the investigation to a UK industry in the relevant goods, and
 - (b) meets the economic interest test (see paragraph 25).
- (5) The TRA may make different recommendations under sub-paragraph (3) for different relevant goods or descriptions of relevant goods, including by reference to – 5
 - (a) specified overseas exporters or descriptions of overseas exporter;
 - (b) specified foreign countries or territories or descriptions of foreign countries or territories.
- (6) But the TRA may only make one recommendation under paragraph (a) or, as the case may be, paragraph (b) of sub-paragraph (3) in relation to any particular relevant good. 10
- (7) And the TRA may make different recommendations under paragraph (a) or (b) of sub-paragraph (3) for different relevant goods or descriptions of relevant goods only if the recommendations which it makes under that paragraph when taken together cover all the relevant goods. 15
- (8) If the TRA determines that there are one or more recommendations which it could make under paragraph (a) or, as the case may be paragraph (b), of sub-paragraph (3), it must make that recommendation or those recommendations (subject to sub-paragraphs (6) and (7)). 20
- (9) If the TRA determines that there is no recommendation which it could make under sub-paragraph (3), it must –
 - (a) publish notice of its provisional affirmative determination in relation to the goods,
 - (b) publish notice of its determination that there is no recommendation which it could make under sub-paragraph (3), and 25
 - (c) notify the Secretary of State and interested parties (see paragraph 32(3)) accordingly.

TRA's recommendations regarding requiring a guarantee

- 14 (1) A recommendation under paragraph 13(3) to require the giving of a guarantee in respect of goods must specify those goods and include – 30
 - (a) the TRA's recommendation regarding –
 - (i) the form of the guarantee,
 - (ii) how an estimated anti-dumping amount or an estimated countervailing amount applicable to the goods should be determined for the purpose of calculating the amount of the guarantee, 35
 - (iii) how the amount of the guarantee should be calculated, and
 - (iv) the period during which the requirement to give a guarantee should apply, and 40
 - (b) such other content as regulations may require.
- (2) The form of guarantee referred to in sub-paragraph (1)(a)(i) may be cash, a bond or a bank guarantee.
- (3) The recommendation referred to in sub-paragraph (1)(a)(ii) must be such that an estimated anti-dumping amount or an estimated countervailing amount does not exceed – 45

- (a) the margin of dumping or, as the case may be, the amount of the subsidy, in relation to the goods as determined by the TRA as part of its provisional affirmative determination, or
 - (b) the amount which the TRA is satisfied would be adequate to remove the injury to a UK industry in the goods if that amount is less than the margin of dumping or, as the case may be, the amount of the subsidy referred to in paragraph (a). 5
- (4) Regulations may make provision for the purposes of sub-paragraph (3)(b) about how the amount which the TRA is satisfied would be adequate to remove the injury described in that provision is to be determined. 10
- (5) The period referred to in sub-paragraph (1)(a)(iv) –
- (a) must not exceed 6 months in the case of a dumping investigation (but see paragraph 16 regarding extensions), or 4 months in the case of a subsidisation investigation, and
 - (b) if the recommendation is accepted by the Secretary of State, must begin – 15
 - (i) on the day after the date of publication of the notice under paragraph 15(4)(b), or
 - (ii) if later, on the day which is the day after the end of the period of 60 days beginning with the date of the initiation of the investigation. 20

Secretary of State’s power to require a guarantee

- 15 (1) If the TRA makes a recommendation under paragraph 13(3), the Secretary of State must decide whether to accept or reject the recommendation.
- (2) The Secretary of State may reject the recommendation only if the Secretary of State is satisfied that – 25
- (a) requiring a guarantee in accordance with the recommendation does not meet the economic interest test (see paragraph 25), or
 - (b) it is not otherwise in the public interest to accept the recommendation. 30
- (3) If the recommendation is rejected, the Secretary of State must –
- (a) publish notice of the TRA’s provisional affirmative determination in relation to the goods, of the recommendation and of the rejection of it,
 - (b) notify interested parties (see paragraph 32(3)) accordingly, and 35
 - (c) lay a statement before the House of Commons setting out the reasons for rejecting the recommendation.
- (4) If the recommendation is accepted, the Secretary of State must –
- (a) publish notice of the TRA’s provisional affirmative determination in relation to the goods and of the recommendation, 40
 - (b) publish a notice that all importers of the goods specified in the recommendation are required to give a guarantee in accordance with the recommendation and regulations under paragraph 6 of Schedule 6, and
 - (c) notify interested parties accordingly. 45
- (5) The notice under sub-paragraph (4)(b) must –

- (a) specify, in accordance with the TRA’s recommendation, the matters referred to in paragraph 14(1)(a)(i) to (iv), and
 - (b) include such other content as regulations may require.

- (3) The regulations must require that if the period of a provisional remedy is extended, the Secretary of State –

- (3) In the case of a dumping investigation, the TRA may recommend to the Secretary of State –
- (a) that an additional amount of import duty (referred to in this Schedule as an “anti-dumping amount”) should be applicable for a specified period to all the relevant goods except, in the case of goods in respect of which an undertaking is accepted under provision made by or under Part 5, during any period when the undertaking applies, and 35
 - (b) how an anti-dumping amount applicable to the relevant goods should be determined. 40
- (4) In the case of a subsidisation investigation, the TRA may recommend to the Secretary of State –

- (a) that an additional amount of import duty (referred to in this Schedule as a “countervailing amount”) should be applicable for a specified period to all the relevant goods except, in the case of goods in respect of which an undertaking is accepted under provision made by or under Part 5, during any period when the undertaking applies, and 5
- (b) how a countervailing amount applicable to the relevant goods should be determined.
- (5) The TRA may make a recommendation under sub-paragraph (3) or (4) only if it is satisfied that the application of an anti-dumping amount or a countervailing amount in accordance with its recommendation meets the economic interest test (see paragraph 25). 10
- (6) The TRA may make different recommendations under sub-paragraph (3) or (4) for different relevant goods or descriptions of relevant goods, including by reference to— 15
- (a) specified overseas exporters or descriptions of overseas exporters;
- (b) specified foreign countries or territories or descriptions of foreign countries or territories.
- (7) But the TRA may only make one recommendation under sub-paragraph (3) or, as the case may be, sub-paragraph (4) in relation to any particular relevant good. 20
- (8) And the TRA may make different recommendations under sub-paragraph (3) or (4) for different relevant goods or descriptions of relevant goods only if the recommendations which it makes under that sub-paragraph when taken together cover all the relevant goods. 25
- (9) If the TRA determines that there are one or more recommendations which it could make under sub-paragraph (3) or, as the case may be, sub-paragraph (4), it must make that recommendation or those recommendations (subject to sub-paragraphs (7) and (8)).
- (10) If the TRA determines that there is no recommendation which it could make under sub-paragraph (3) or (4) (as the case may be), it must— 30

- (b) the amount which the TRA is satisfied would be adequate to remove the injury to a UK industry in the goods if that amount is less than the margin of dumping or, as the case may be, the amount of the subsidy referred to in paragraph (a). 20
- (5) Regulations may make provision for the purposes of sub-paragraph (4)(b) about how the amount which the TRA is satisfied would be adequate to remove the injury described in that provision is to be determined. 25

- (2) References in this Schedule to a “safeguarding investigation” are to an investigation under sub-paragraph (1). 15

Initiation of a safeguarding investigation

- 7 (1) The TRA may initiate a safeguarding investigation in relation to goods only if—

 - (c) the market share requirement is met or the TRA waives the requirement in relation to the application, and 30
 - (d) the application is accompanied by a preliminary adjustment plan.
- (2) The market share requirement is met if—

 - (b) in the case of an application under sub-paragraph (1)(a)(ii), the TRA is satisfied that UK producers of the goods have a share of the market for like goods and directly competitive goods for consumption in the United Kingdom (whether produced there or elsewhere) which is sufficient to justify initiating the investigation. 40
- (3) A preliminary adjustment plan is—

<p>(4) Regulations may make provision about –</p> <ul style="list-style-type: none"> (a) what constitutes or does not constitute an application made by or on behalf of UK producers for the purposes of sub-paragraph (1)(a)(i); (b) when an application is made for the purposes of sub-paragraph (1)(a); (c) the information to be contained in such an application; (d) the time limit for determining such an application; (e) the form and content of a preliminary adjustment plan; (f) what constitutes or does not constitute “the market for like goods and directly competitive goods for consumption in the United Kingdom” and UK producers’ “share” of that market for the purposes of sub-paragraphs (1)(c) and (2); (g) how any of those matters are to be determined for the purposes of sub-paragraphs (1)(c) and (2). 	10 15 20
<p>(5) If any of the requirements of sub-paragraph (1)(a) to (d) in respect of a safeguarding investigation are not met, the TRA must reject the application and notify the applicant accordingly (unless it is the requirement in sub-paragraph (1)(a) that is not met because the application has been withdrawn).</p>	25
<p>(6) If the requirements of sub-paragraph (1)(a) to (d) in respect of a safeguarding investigation are met, the TRA must –</p> <ul style="list-style-type: none"> (a) accept the application and initiate the investigation, (b) publish notice of its decision to initiate the investigation (including notice of the goods which are the subject of the investigation), and (c) notify the Secretary of State and interested parties (see paragraph 29(3)) accordingly. 	30

- (3) But the TRA may only make such a determination if it is satisfied that interested parties (see paragraph 29(3)) have been given an adequate opportunity to provide information to it regarding the investigation.
- (4) The TRA must make a final determination in relation to each of the goods which are the subject of a safeguarding investigation. 10
- (5) A final determination under sub-paragraph (4) in relation to goods is –

 - (c) in a case where the TRA makes a final affirmative determination in relation to the goods and makes a recommendation under paragraph 14(3) in relation to them which the Secretary of State rejects, when the notice of rejection is published under paragraph 17(3)(a) or 18(3)(a), or 35
 - (d) in a case where the TRA makes a final affirmative determination in relation to the goods and makes a recommendation under paragraph 14(3) in relation to them which the Secretary of State accepts, at the end of the day of publication of the public notice under section 13 giving effect to the recommendation. 40

PART 3

PROVISIONAL REMEDY: PROVISIONAL SAFEGUARDING AMOUNT

TRA’s duty to recommend a provisional safeguarding amount

- (3) The TRA may recommend to the Secretary of State – 10
- (a) that an additional amount of import duty (referred to in this Schedule as a “provisional safeguarding amount”) should be applicable for a specified period to all the relevant goods, and
- (b) how a provisional safeguarding amount applicable to those goods should be determined.
- (4) The TRA may make a recommendation under sub-paragraph (3) only if it is satisfied that the application of a provisional safeguarding amount in accordance with its recommendation – 15
- (a) is necessary to prevent serious injury which it would be difficult to repair from being caused during the investigation to UK producers of the goods, and 20
- (b) meets the economic interest test (see paragraph 21).
- (5) If the TRA determines that there is one, or more than one, recommendation which it could make under sub-paragraph (3), it must make the recommendation or one of those recommendations.
- (6) If the TRA determines that there is no recommendation which it could make under sub-paragraph (3), it must – 25
- (a) publish notice of its provisional affirmative determination in relation to the goods,
- (b) publish notice of its determination that there is no recommendation which it could make under sub-paragraph (3), and 30
- (c) notify the Secretary of State and interested parties (see paragraph 29(3)) accordingly.

TRA’s recommendations about a provisional safeguarding amount

- 12 (1) This paragraph applies to a recommendation by the TRA under paragraph 11(3) in relation to goods. 35
- (2) The specified period referred to in paragraph 11(3)(a) –

- (a) the value of the goods, and

- (b) the weight or volume of the goods or any other measure of their quantity or size.
- (4) But that recommendation must be such that a provisional safeguarding amount applicable to goods does not exceed the amount which the TRA is satisfied is necessary to prevent serious injury which it would be difficult to repair from being caused during the investigation to UK producers of the goods. 5
- (5) Regulations may make provision for the purposes of sub-paragraph (4) about how the amount which the TRA is satisfied is necessary to prevent the serious injury described in that provision is to be determined. 10
- (6) A recommendation under paragraph 11(3) must include such other content as regulations may require.

- 13 (1) If the TRA makes a recommendation under paragraph 11(3), the Secretary of State must decide whether to accept or reject the recommendation. 15
- (2) The Secretary of State may reject the recommendation only if the Secretary of State is satisfied that—

 - (b) it is not otherwise in the public interest to accept the recommendation.
- (3) If the recommendation is rejected, the Secretary of State must—

 - (b) must notify interested parties accordingly, and
 - (c) is required under section 13 to make provision by public notice to give effect to the recommendation. 35
- (5) For the purposes of this Schedule, “the period of a provisional remedy” in respect of goods means the period for which a provisional safeguarding amount applies to the goods.
- (6) The period of a provisional remedy in respect of goods ceases (if it has not already expired) when the safeguarding investigation in relation to the goods terminates. 40

| 14 | <p>(1) This paragraph applies where the TRA makes a final affirmative determination in relation to goods which are the subject of a safeguarding investigation.</p> | 5 |
| | <p>(2) Goods in relation to which that determination is made are referred to in this paragraph as relevant goods.</p> | |
| | <p>(3) The TRA may recommend to the Secretary of State –</p> | |
| | <p style="padding-left: 20px;">(a) that an additional amount of import duty (referred to in this Schedule as a “definitive safeguarding amount”) should be applicable for a specified period to all the relevant goods or to specified relevant goods;</p> | 10 |

 - (b) publish notice of its determination that there is no recommendation which it could make under sub-paragraph (3), and
 - (c) notify the Secretary of State and interested parties (see paragraph 29(3)) accordingly. 10

TRA's recommendations about a definitive safeguarding amount

- (4) But that recommendation must be such that –
- (a) a definitive safeguarding amount applicable to goods does not exceed the amount which the TRA is satisfied is necessary – 35
 - (i) to remove serious injury to UK producers of the goods, and
 - (ii) to facilitate the adjustment of those UK producers to the importation of the goods in increased quantities, and
 - (b) where the specified period referred to in paragraph 14(3)(a) exceeds 1 year, a definitive safeguarding amount applicable to goods becomes progressively smaller as the period progresses. 40
- (5) Regulations may make provision for the purposes of sub-paragraph (4)(a) about how the amount which the TRA is satisfied is necessary for the purposes mentioned is to be determined.
- (6) A recommendation under paragraph 14(3)(a) must include such other content as regulations may require. 45

- (7) If a provisional safeguarding amount has been applied to some or all of the goods as part of the same safeguarding investigation, sub-paragraph (8) applies for the purposes of sub-paragraphs (2)(b) and (4)(b). Those of the goods to which a provisional safeguarding amount has been applied are referred to as “the provisional goods”. 5
- (8) The length of the specified period referred to in paragraph 14(3)(a), so far as relating to the provisional goods, is to be treated as extended by the length of the specified period for which the TRA recommended that a provisional safeguarding amount should be applied to them.
- (9) Where the application of sub-paragraph (8) results in the length of the specified period referred to in paragraph 14(3)(a), so far as relating to the provisional goods, exceeding 1 year, sub-paragraph (4)(b) is to be read as if references to goods were references to the provisional goods. 10

TRA’s recommendations regarding tariff rate quotas

- (b) where the specified period referred to in paragraph 14(3)(b) exceeds 1 year, must be such that the amount of import duty applicable to goods subject to the quota becomes progressively smaller as the 45

- period progresses (whether by increases in the amount of the quota, decreases in the rates of import duty, or both).
- (6) Regulations may make provision for the purposes of sub-paragraph (5)(a) about how the things which the TRA is satisfied are necessary for the purposes mentioned are to be determined. 5
- (7) If a provisional safeguarding amount has been applied to some or all of the goods as part of the same safeguarding investigation, sub-paragraph (8) applies for the purposes of sub-paragraphs (2)(b) and (5)(b).
Those of the goods to which a provisional safeguarding amount has been applied are referred to as “the provisional goods”. 10
- (8) The length of the specified period referred to in paragraph 14(3)(b), so far as relating to the provisional goods, is to be treated as extended by the length of the specified period for which the TRA recommended that a provisional safeguarding amount should be applied to them.
- (9) Where the application of sub-paragraph (8) results in the length of the specified period referred to in paragraph 14(3)(b), so far as relating to the provisional goods, exceeding 1 year, sub-paragraph (5)(b) is to be read as if references to goods were references to the provisional goods. 15

Secretary of State’s power to apply a definitive safeguarding amount

 - (b) it is not otherwise in the public interest to accept the recommendation. 10
- (3) If the recommendation is rejected, the Secretary of State must—
- (a) publish notice of the TRA’s final affirmative determination in relation to the goods, of the recommendation and of the rejection of it, 15

-
- (c) whether replacing the application of a definitive safeguarding amount with a tariff rate quota, or replacing a tariff rate quota with the application of a definitive safeguarding amount, would better meet the aim of –

- (5) Sub-paragraph (3) does not prevent the Secretary of State from accepting the recommendation if—
- (a) the specified period referred to in paragraph 14(3)(a) or, as the case may be, paragraph 14(3)(b) (“the recommended period”) does not exceed 180 days, 35
 - (b) the date on which the period of the previous safeguarding remedy began is at least 1 year before the date on which the recommended period would (by virtue of paragraph 15(2)(c) or 16(2)(c)) begin, and 40
